

REMARKS/ARGUMENTS

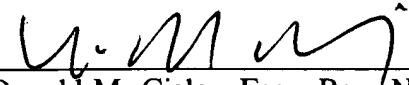

The Examiner has indicated that Claims 13 and 14 are allowed and has rejected Claims 10-12. The Examiner will note by the foregoing amendment that the objected to claims have now been cancelled. Claims 13-14 remain in this application. Claims 10, 11 and 12 have been cancelled without prejudice to any future or pending application covering the same or similar subject matter.

Having responded to each of the Examiner's concerns, Applicant asserts that the application is now in condition for allowance and early passage to allowance is respectfully requested. If a telephone interview will advance the allowance of the application, enabling an Examiner's amendment or other meaningful discussion of the case, Applicant requests the Examiner contact Applicant's representative at the number listed below.

It is not believed that any additional fees are due; however, in the event any additional fees are due, the Examiner is authorized to charge Applicant's Attorney's Deposit Account No. 03-2030.

Respectfully submitted,

CISLO & THOMAS LLP
